- ▶ Regional Economics.
- ▶ Applied Econometrics.

Papers in Refereed Journals

- [1] Trade Agreements and Subnational Income of Border Regions (with Mario Larch and David Stadelmann), **Economic Inquiry** 61(4), 2023, pp. 1034–1052.
- [2] Spain, Split and Talk: Quantifying Regional Independence (with Mario Larch and Jordi Paniagua) **Regional Studies** 59(1), 2025.

Selected Work in Progress

- [1] A Structural Regional Trade and Migration Framework for Policy Evaluation: Quantifying the Regional Effects of the 2004 EU Enlargement (with Mario Larch).

- [2] High-Dimensional Variance Decomposition with an Application to Trade Flows (ANOVA-HDFE) (with Mario Larch and Michael Nower).

Research Visits

May/June 2024 Short-term research visit, University of Oxford and University of Warwick, United Kingdom.

Conference, Workshop, and Seminar Presentations

- 2025 **ETSG Conference** in Milan, Italy (forthcoming, presentation: "What Drives World Trade Growth? Analysing the Role of Key Players Using ANOVA");
Economics Graduate Seminar in Bayreuth, Germany (forthcoming, presentation: "High-Dimensional Variance Decomposition with an Application to Trade Flows");
26th Göttinger Workshop "Internationale Wirtschaftsbeziehungen" in Göttingen, Germany (presentation: "Closing the Gap: Explaining Cross-Country Variation in Asymmetric Trade Costs");
17th FIW Research Conference "International Economics" in Vienna, Austria (presentation: "A Structural Regional Trade and Migration Framework for Policy Evaluation: Quantifying the Regional Effects of the 2004 EU Enlargement");
38th BGPE Research Workshop in Bayreuth, Germany (presentation: "A Structural Regional Trade and Migration Framework for Policy Evaluation: Quantifying the Regional Effects of the 2004 EU Enlargement").
- 2024 **ETSG Conference** in Athens, Greece (presentation: "A Structural Regional Trade and Migration Framework for Policy Evaluation: Quantifying the Regional Effects of the 2004 EU Enlargement");
Economics Graduate Seminar in Bayreuth, Germany (presentation: "A Structural Regional Trade and Migration Framework for Policy Evaluation: Quantifying the Regional Effects of the 2004 EU Enlargement");
4th TRISTAN Workshop in Bayreuth, Germany (presentation: "A Structural Regional Trade and Migration Framework for Policy Evaluation: Quantifying the Regional Effects of the 2004 EU Enlargement");
25th Göttinger Workshop "Internationale Wirtschaftsbeziehungen" in Göttingen, Germany (presentation: "Evaluating EU Policy at the Regional Level Using a Structural Trade and Migration Framework");
36th BGPE Research Workshop in Munich, Germany (presentation: "Spain, Split and Talk: Quantifying Regional Independence").
- 2023 **VfS Annual Conference** in Regensburg, Germany (presentation: "Spain, Split and Talk: Quantifying Regional Independence");
ETSG Conference, University of Surrey, United Kingdom (presentation: "Closing the Gap: Explaining Cross-Country Variation in Asymmetric Trade Costs");
Economics Graduate Seminar in Bayreuth, Germany (presentation: "Closing the Gap: Explaining Cross-Country Variation in Asymmetric Trade Costs");
BiGSEM Seminar in Bielefeld, Germany (presentation: "Closing the Gap: Explaining Cross-Country Variation in Asymmetric Trade Costs");
15th FIW Research Conference "International Economics" in Vienna, Austria (presentation: "Spain, Split and Talk: Quantifying Regional Independence");
24th Göttinger Workshop "Internationale Wirtschaftsbeziehungen" in Göttingen, Germany (presentation: "Closing the Gap: Explaining Cross-Country Variation in Asymmetric Trade Costs");
Oxford-Bayreuth Doctoral Workshop "Global Political Economy" in Bayreuth, Germany (presentation: "Spain, Split and Talk: Quantifying Regional Independence").

- 2022 **ETSG Conference** in Groningen, Netherlands (presentation: “Spain, Split and Talk: Quantifying Regional Independence”);
Economics Graduate Seminar in Bayreuth, Germany (presentation: “Spain, Split and Talk: Quantifying Regional Independence”);
23rd Göttinger Workshop “Internationale Wirtschaftsbeziehungen” in Göttingen, Germany (presentation: “Spain, Split and Talk: Dissecting the Anatomy of Trade Borders”).
- 2021 **ETSG Conference** in Gent, Belgium (presentation: “Subnational Income Growth and International Border Effects”);
Economics Graduate Seminar in Bayreuth, Germany (presentation: “Subnational Income Growth and International Border Effects”).

Teaching Experience

- 2024 **Lectures and Seminar on Time Series Analysis**, *University of Bayreuth*, undergraduate level, teaching language: English
- 2020/21–2024/25 **Advanced Econometrics (exercise class)**, *University of Bayreuth*, graduate level, teaching language: English
- 2020/21–2024/25 **Introduction to Empirical Methods (lecture and exercise class)**, *University of Bayreuth*, graduate level, teaching language: English
- 2021–2025 **Econometrics I (exercise class)**, *University of Bayreuth*, undergraduate level, teaching language: German
- 2022/23–2024/25 **Empirical International Trade (seminar)**, *University of Bayreuth*, graduate level, teaching language: English
- 2024/25 **Empirical Trade Data Analysis (seminar)**, *University of Bayreuth*, undergraduate level, teaching language: English
- 2022 **How Are Empirical Projects Pursued? Building Roadmaps from Existing Studies (seminar)**, *University of Bayreuth*, graduate level, teaching language: English
- 2021 **Regional Economics in a Globalized World: Empirically Investigating the Distribution of Economic Activity Over Space (seminar)**, *University of Bayreuth*, graduate level, teaching language: English
- 2020/21–2021/22 **Statistical Learning in the Age of “Big Data” and Machine Learning (seminar)**, *University of Bayreuth*, graduate level, teaching language: English
- 2015/16–2018/19 **Microeconomics I (exercise class), Foundations in Decision and Game Theory (tutorial), Model United Nations (seminar)**, *University of Bayreuth*, undergraduate level, teaching languages: German and English

Supervision: Master’s Theses (5), Bachelor’s Theses (10)

Teaching Certificates:

- 2025 **Certificate for Teaching in Higher Education of the Bavarian Universities**, *Basic Level*, Academic Teaching Training Program.

Academic Services

Refereeing: *Bulletin of Economic Research*, *International Economics and Economic Policy*, *PLOS ONE* (2x), *Review of Development Economics*, *Review of International Economics*, *Review of World Economics*.

At the Department:

since 2023 Co-organiser of the Bayreuth Young Economists Research Seminar (BYERS).

PhD Courses
