

## Bachelor

- Using Natural Language Processing for Forecasting Economic Indices
- Impact of an EU Carbon Border Tax Adjustment for Transport Emissions - Quantifying the Effects on Trade, Welfare and Emissions
- Old, Rich and Rural: How Constituency Characteristics Affect Conservatism and Climate Change Legislation in Great Britain
- Der Einfluss des Klimawandels auf die Landwirtschaft in den USA - Eine Modellanalyse
- Reduction or Relocation? - An Empirical Analysis of How the Kyoto Protocol Affected Carbon Emissions and Footprints
- Deforestation and Economic Development - Rethinking Panayotou (1993)
- BITs and Pieces - How Conditions in Host Countries Influence Dispute Settlement Provisions
- Revisiting the Effects of the Kyoto Protocol on the Carbon Footprint of Nations - An Empirical Analysis using Panel Data
- The long-run determinants of inequality revisited: a new perspective on top income development?
- »Take back control? The effects of supranational integration on party-system polarization« by Konstantinidis et al. (2019) reviewed
- Efficiency gains from Rigobon and Stoker's Maximum-Likelihood-Estimator for censored regressors.
- Statistical Learning in the Context of Empirical Growth Regressions. Assessing Model Selection Performance
- Predicting Civil War - An Empirical Analysis of the Motive-Opportunity Dichotomy
- The Effects of Extended Unemployment Insurance Over the Business Cycle: Schmieder, von Wachter, and Bender (2012) in Austria
- Effects of Institutional Quality on International Trade in the case of India
- Comparative Advantage and Relationship-Specificity - Replicating Nunn (2007) with New Data and Settler's Mortality as an Instrument
- Patterns of Comparative Advantage in the Machinery Sector: An Empirical Analysis
- Adaptation to Climate Change and the Importance of Crop Heat Resistance
- Determinants of International Environmental Agreements. An Analysis of Economic and Political Factors Influencing Multilateral and Bilateral Environmental Agreement Participation
- Trade Policy, Maritime Transport and Export Zeros: Product-level Evidence from U.S. Exports
- Regional Trade Agreements and Conflict

- Indirect costs of interstate conflicts
- How powerful is teacher experience - an empirical analysis
- How Does Immigration Affect Income? An Empirical Analysis of Potential Heterogeneous Effects between Receiving Countries
- Temperature Effect on Economic Growth - Does the 'Hotness' or the 'Poorness' of a Country Drive the Response and Do Negative Effects Persist in the Medium-Run?
- Are Financial Crises "Credit Booms Gone Bust"? - Predictive Power of Credit Growth
- Quantifying Heterogeneous Effects of the EU-Turkey Customs Union
- Does Trade Promote Peace? Estimating the Impact of Trade Openness on Interstate Conflict
- Are rich countries immune to rising temperatures? The effect of temperature on economic growth
- Estimating the Effect of Free Trade Agreements on Bilateral Trade Flows in a Bonus Vetus OLS Context: A Matching Estimator Approach
- Non-Linear Temperature Effects in Economically Less Developed Countries
- Unobserved Treatment Effect Heterogeneity in Regression Discontinuity Designs: Evidence from Monte Carlo Studies
- Impact of Non-Tariff Measures on International Trade Flows: Evidence from Green Coffee Trade
- Replication and Econometric Analysis of the Paper "Buffalo Hunt: International Trade and the Virtual Extinction of the North American Bison" by M. Scott Taylor
- An Empirical Analysis of the Coase Theorem in Cap-and-Trade Programs: Does Allocation Matter?
- Do oil price increases cause higher food price - A methodological analysis of Baumeister and Killian 2014
- An empirical analysis of capital control measures and financial stability
- Pollution, Shadow Economy and Corruption - An Empirical Analysis
- Modelling and Forecasting Financial Volatility Using Realized Volatility
- Determinants of Legal and Illegal Migration from Mexico to the USA - An Empirical Analysis using Microdata
- Did Kyoto Make a Difference? - An Empirical Analysis of How the Kyoto-Protocol Affected Carbon Emissions

## Master

- The relationship of democracy and economic growth - Analyzing the impact of a machine learning indicator
- Regional Growth and International Border Effects
- Robustness of Economic Growth Determinants: Can the Outcomes of the Extreme Bounds Analysis be Validated with the Random Forest Algorithm?
- Detection of turning points in automation market business cycle
- Make Trade not War? By Martin et al. (2008): Replication & Extension
- Evaluating Market-Based Mechanisms for GHG Mitigation: A Difference-in-Differences and Synthetic Control Approach
- Predictive Analytics: Ensemble Learning in Time Series Forecasting
- Determinants of Environmental Provisions in Preferential Trade Agreements
- The Role of International Environmental Agreements in Determining Cross-Border Portfolio Investment
- Weather and Economic Growth: Which Weather Matters?

- The Erosion of Colonial Trade Linkages after Independence: A Replication and Extension
- Do Bilateral Tax Treaties promote FDI to Developing Countries? Empirical Evidence from a Gravity Model
- The Globalisation Consequences of Degrowth
- Shocks in the Copper Market and Investments: A Structural VAR Analysis
- Machine Learning in Econometrics: A Comparison of Propensity Score Matching and Random Forests to Evaluate Average and Heterogeneous Treatment Effects
- Discrete-time duration models - an analysis of work incapacity in health insurance
- The Energy Consumption - Growth Nexus: A Dynamic Panel Data Approach
- Safta and Afta: A Comparative Welfare Analysis Of Two Regional Trade Agreements
- Determinants of Multilateral Environmental Agreements
- The interaction of party governments and central banks in Latin America and the Caribbean: A comparison of different dynamic panel data estimators
- What drives China's Power Demand? - A Cointegration Analysis
- Estimating the extensive margin of trade
- Does Inflation Targeting foster Financial Imbalances?
- Reassessing the Impact of Policy Changes on Migration between OECD Countries

## **WiWiZ**

- US Blocking of Appointments of WTO Appellate Body Judges. Ways out of the Deadlock from a Legal Perspective.
- Entwicklung der Elektromobilität in Deutschland und im internationalen Vergleich
